

***Watertown Public Schools’
Technology and Internet Acceptable Use Agreement
Grades PreK - 2***

In Watertown Public Schools all students have access to computers and the Internet in their classrooms, the Library, and the Computer Lab. In order to have these privileges at school, students and parents are asked to read through this Acceptable Use Agreement and then sign it. **The signed agreement must be returned by Friday, September 14.** Thank you in advance for your support and cooperation.

- I will be a responsible user of technology by following the rules of this agreement.
- I will use the Internet for doing schoolwork.
- I will follow all rules for taking care of equipment, including, but not limited to, computers and digital cameras.
- I will not eat or drink while using school equipment.
- I will tell the staff member in charge if I have any problems while using school equipment.
- I will not interfere with nor stop other students from using school computers or programs.
- I will be responsible for my student folder and the work that is saved in it.
- I will not go into other people’s folders nor change their work without their permission.
- I understand the use of the Watertown Public Schools’ technology is a privilege, not a right and that inappropriate behavior will lead to a loss of these privileges.
- I release the Watertown Public Schools from any liability that may result from my use of school technology, including use of the Internet.

After reading and discussing this agreement, we agree to abide by its conditions.
