Watertown Public Schools

Vision Statement 2010 - 2013

The Watertown Public Schools promote high achievement through inquiry, problem solving, collaboration, creativity and hard work. We provide students with a robust education so they will acquire, apply, and practice the knowledge and skills needed for self-actualization and life-long learning. All programs support diverse learning styles, civic interaction, global awareness, and personal success.

WPS District Strategic Goals 2010 - 2013

- Support High Academic Achievement
- Foster Self Actualization
- Promote Global and Local Citizenship

Support High Academic Achievement

The Watertown Public Schools will ensure that each student becomes an accomplished learner in the arts, humanities, mathematics, physical sciences and social sciences. The school system will provide all students with a learning environment that sets high expectations and stimulates thinking, problem-solving, inquiry, creativity, and hard work.

Foster Self-Actualization

The Watertown Public Schools will ensure that each student develops a capacity for life-long learning through comprehensive skill development, exposure to a broad universe of knowledge and disciplines, and support for a diversity of learning styles, future plans, and personal interests.

Promote Global and Local Citizenship

The Watertown Public Schools will ensure that each student becomes informed about and participates in local and world affairs. Students will strive to understand people of different backgrounds and cultures and the interconnectedness of the contemporary world.
